Real Gems & Pearls

Take your pick

Hi, I'm Jackie!

My 14 carat gold jewelry is on trend, handmade by European goldsmiths and created from recycled gold, genuine gemstones and freshwater pearls.

The Jackie collection is inspired by my travels, from city trips to exotic places. This time I gathered my inspiration from the most romantic city in the world: Venice, Italy! That is where I designed my jewelry with love and passion.

Enjoy the journey through my collection!

Hi, ik ben Jackie!

Mijn 14 karaat gouden sieraden zijn helemaal van nu, handgemaakt door Europese goudsmeden en gecreëerd van gerecycled goud, echte edelstenen en zoetwaterparels.

De Jackie collectie is geïnspireerd op de reizen die ik maak, van stedentrips tot exotische oorden. Deze keer heb ik mijn inspiratie opgedaan in de meest romantische stad ter wereld; Venetië! Daar heb ik met liefde en passie mijn sieraden ontworpen.

Geniet van de reis door mijn collectie!

Hallo, Ich bin Jackie!

Mein 14-Karat-Goldschmuck ist äußerst zeitgemäß, von europäischen Goldschmieden handgefertigt und aus recyceltem Gold, echten Edelsteinen und Süßwasserperlen hergestellt.

Die Jackie-Kollektion ist von meinen Reisen inspiriert, von Städtereisen bis zu exotische Orten. Dieses Mal habe ich mich von der romantischsten Stadt der Welt inspirieren lassen: Venedig in Italien! Dort habe ich meine Schmuckstücke mit Liebe und Leidenschaft entworfen.

Viel Spaß bei der Reise durch meine Kollektion!

Salut, je suis Jackie !

Mes bijoux en or 14 carats, résolument contemporains, sont fabriqués à la main par des joailliers européens à partir d'or recyclé, de pierres précieuses authentiques et de perles d'eau douce.

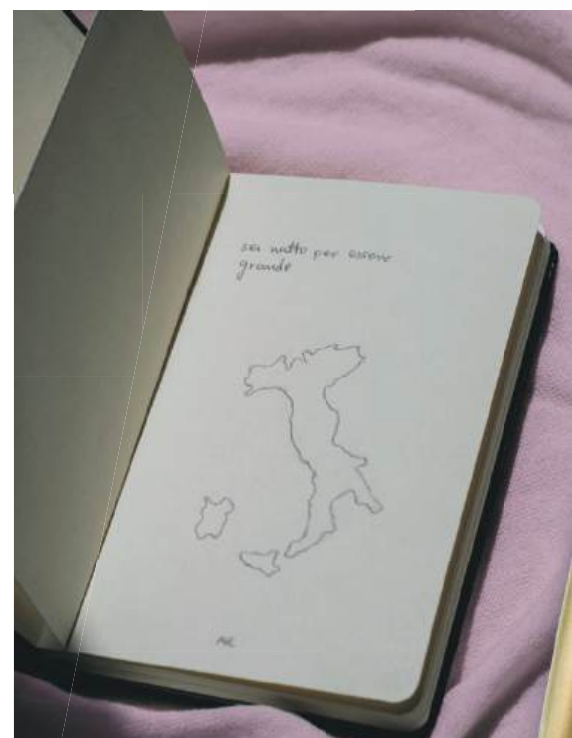

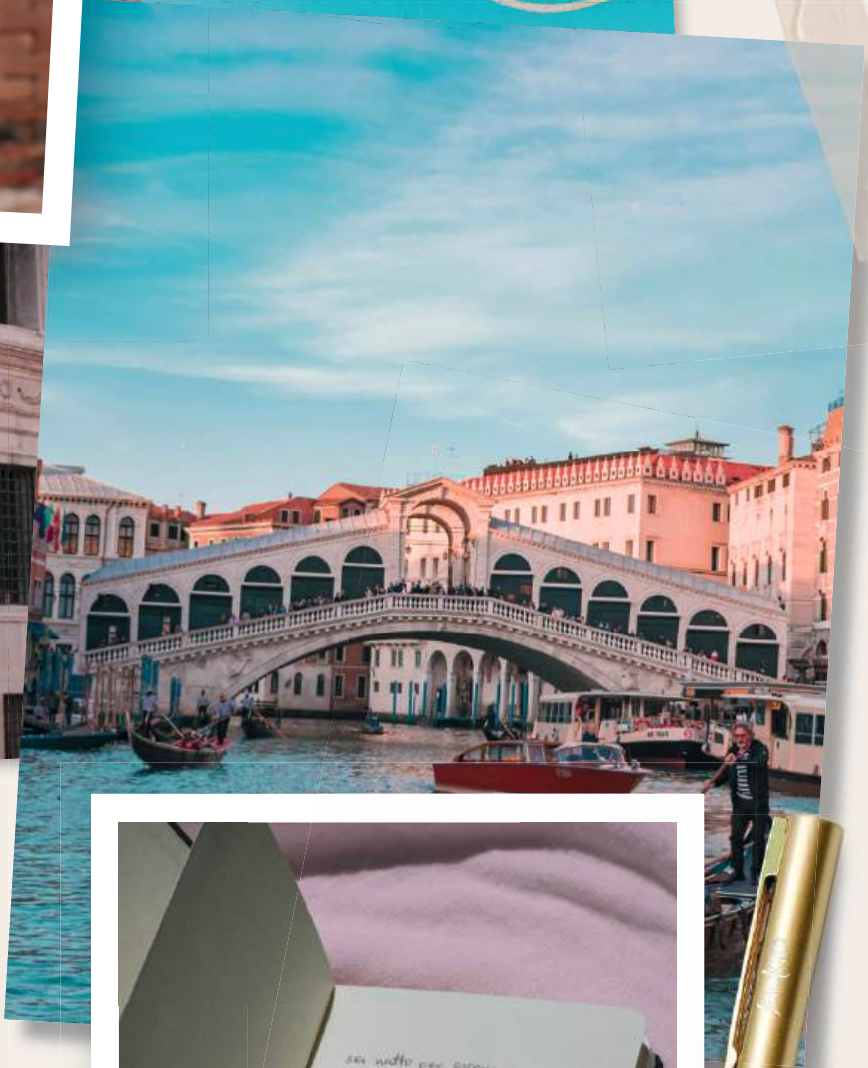

La collection Jackie est inspirée par mes voyages, des escapades en ville aux lieux exotiques. Cette fois-ci, j'ai puisé mon inspiration dans la ville la plus romantique du monde : Venise en Italie ! C'est là que j'ai créé mes bijoux avec amour et passion.

Pars en voyage avec ma collection !

How nice of you to take a look at my lookbook!

I designed my collection for real women, with their movements and their ease of wear in mind. All necklaces come with three eyelets, which makes it super easy to create layers at equal distances. Most necklaces swing along with your body movements, so they always hang right in the middle. My 'Double' jewelry adds extra volume to a ring or bracelet stack, making each piece of jewelry look like you're wearing two.

Make the most gorgeous combinations: wearing four necklaces, three bracelets, and six rings on one hand is not unusual!

Enjoy the Jackie collection.

NL

Wat leuk dat je een kijkje neemt in mijn lookbook!

Mijn collectie is ontworpen met oog voor de vrouw. Alle colliers hebben drie oogjes, waardoor je gemakkelijk layers kunt maken op gelijke afstanden. De meeste colliers swingen met je lichaamsbewegingen mee, zodat ze altijd in het midden hangen. Mijn 'Double' sieraden geven extra volume aan je stack, waardoor het lijkt alsof je er twee van draagt.

Maak de mooiste combinaties: vier colliers, drie armbanden en zes ringen aan één hand zijn geen uitzondering!

Enjoy the Jackie collection.

DE

Wie schön, dass du einen Blick in mein Lookbook wirfst!

Ich habe meine Kollektion mit Blick auf die Frau, ihre Bewegungen und Tragekomfort entworfen. Alle Halsketten sind mit drei Ösen versehen, damit sich leicht Schichten mit gleichen Abständen bilden lassen. Die meisten Halsketten schwingen mit deinen Körperbewegungen mit, sodass sie immer in der Mitte hängen. Mein 'Double'-Schmuck verleiht einem Ring- oder Armband-Satz mehr Volumen, sodass es aussieht, als würdest du zwei Schmuckstücke tragen.

Mache die schönsten Kombinationen: Vier Halsketten, drei Armbänder und sechs Ringe an einer Hand sind keine Ausnahme!

Viel Spaß mit der Jackie-Kollektion.

FR

Je suis heureuse que tu t'intéresses à mon lookbook !

J'ai conçu ma collection en m'inspirant des vraies femmes, de leurs mouvements et veillant à créer des bijoux confortables à porter. Tous les colliers présentent trois œillets qui permettent de créer facilement des rangs à égale distance. La plupart des colliers se balancent au gré des mouvements du corps et restent donc toujours bien centrés. Mes bijoux 'Double' ajoutent du volume à des bagues ou bracelets multi-rangs, donnant l'impression que tu en portes deux.

Crée les plus belles combinaisons : il est tout à fait possible de porter quatre colliers, trois bracelets et six bagues sur une main !

Profite de la collection Jackie.
