ABOUT US

A company founded in 1881 by the Nowotny brothers has developed over five generations into Austria's leading wedding ring specialist. This heritage stands for tradition, craftsmanship and timeless design.

Technologies have evolved and trends have changed, but this family-owned company remains true to its roots. By now, it offers expert craftsmanship and a diverse range of wedding rings, solitaires, and timeless jewelry to meet every customer's desire.

Today we, sisters Cornelia Gruber-Ruesch and Birgit Beyer-Ruesch, manage our factory in Vienna and are proud to export our jewellery throughout Europe under the brand name „Collection Ruesch“.

Our commitment remains: to combine tradition, innovation and excellent quality, to create rings that last and make you fall in love for a lifetime.
