SWISS MADE SOUL

The “Swiss Made” seal represents true watchmaking excellence and expertise. Festina’s new Swiss Made collection features an exclusive selection of timepieces that perfectly embody the essence, prestige, and savoir-faire of watches made in Switzerland while maintaining the outstanding features, finishing, and unique style of the Festina brand at a very competitive price.

THE MANUFACTURE MOVEMENT

SOPROD is part of the Festina Group which, through its various companies, manufactures all the essential components for the production of complete mechanisms, from mechanical calibres to quartz movements.

At its six Swiss production sites, the manufacturer produces all components, including assortments (escapement wheels, pallets and rollers), as well as balance wheels and even springs, while its workshop in the French Jura region produces main plates.
