HISTORY

NACAR watches were introduced in Switzerland by ZILA WATCH CO in 1929. The company was founded in La Heut in 1924. NACAR watches entered the Turkish market in 1942 through the efforts of the Kevork and Ohannes brothers. In 1998, Konyalı acquired all global rights to NACAR and became its global distributor. With nearly 400 dealers across Turkey and a commitment to high-quality service, NACAR is recognised as one of the most well-known and preferred watch brands. In addition to its classic line, NACAR offers a collection of over 400 models, continuously updated with the latest technologies, trends, and designs. NACAR remains one of the leading names in the watch industry. NACAR has further demonstrated its reliability by introducing a five-year warranty service, launched in 2005 in Turkey, as the first and only brand to offer this service.

STRATEGY

By focusing on customer satisfaction, NACAR aims to develop trend-driven products sustainably through advanced technology and materials.

QUALITY

NACAR considers quality essential for long-term success and prioritises it across all products and services.

OBJECTIVE

With almost one century of experience, NACAR is now offering its watches and services to all watch lovers who value quality, design, and diversity.

SINCE 1929

YUSUF DIKEÇ X NACAR

TIMELESS ELEGANCE, ABSOLUTE POWER

LIMITED EDITION

Some designs are simply beautiful, while others are iconic.

One of the most unforgettable moments—perhaps the most iconic—was Yusuf Dikeç's shot. Hand in pocket, confident and calm. His stance went viral, generating even more buzz than the silver medal he and his teammate brought home. As Nacar Waches, we are proud to have been not just by his side, but right there on his left wrist.

Hafızalara kazınan anlardan biri, belki de en unutulmazı, Yusuf Dikeç'in atış anıydı. Eli cebinde, kendinden emin ve sakin tavrıyla verdiği o ikonik poz, ülkemize kazandırdığı gümüş madalyadan bile fazla konuşuldu. Takım arkadaşıyla birlikte elde ettiği olimpik başarıyı gölgede bırakacak kadar ses getiren bu anın bir parçası olmaktan gurur duyuyoruz. Nacar Saat olarak, o unutulmaz anda yalnızca yanında değil, tam olarak sol bileğinde yer aldık.

Slow House is a serene escape that captures the essence of slowing down and embracing simplicity. With its emphasis on natural materials, soft lighting, and earthy tones, the space offers a calming atmosphere that encourages relaxation and mindfulness. The design is effortlessly cohesive, with each element thoughtfully chosen to create a peaceful environment where time seems to move a little slower.

The interior of Slow House is filled with raw textures, wooden accents, and comfortable furnishings that make it feel like a sanctuary. There's a sense of warmth and comfort, with spaces designed to encourage you to take your time, whether you're enjoying a quiet moment alone or sharing it with friends. The design embraces a minimalist approach, but with a strong emphasis on functionality, ensuring that every detail serves a purpose while adding to the overall tranquility of the space.

It's a place where the hectic pace of the outside world seems to fade away, replaced by a sense of calm and stillness. Whether you're seeking inspiration, relaxation, or simply a moment to reset, Slow House offers the perfect backdrop. The design encourages you to be present, enjoy the simple things, and embrace the slower pace of life in a space that feels just as restorative as it is beautiful.

The atmosphere at Slow House is all about the experience. From the carefully curated details to the soft lighting, every element is chosen to create a sense of peace and mindfulness. It's the art of slowing down, surrounded by a warm and soothing environment that encourages you to take a breath and find your center.

Slow House is a place that encourages you to slow down and reset. The use of organic materials and clean lines creates a grounded atmosphere that feels like a natural extension of the earth. The warm tones and soft textures enhance the feeling of comfort and relaxation, making it the perfect environment for escaping the hustle and bustle of everyday life.

The layout of Slow House is thoughtfully designed to encourage relaxation and connection. The furniture is simple yet elegant, providing a perfect spot for sitting on a cozy chair or lounging on a plush sofa. The design invites you to sink into the space, slow down, and focus on the present moment. The carefully handpicked ceramics and subtle accents add personality without overwhelming the senses.

There's something incredibly calming about the way Slow House is designed. It's not just a space to visit; it's a space to fully experience. The atmosphere is warm and inviting, whether you're there to work, relax, or reflect, you feel like you're in the right place to do so. The open shelving displaying delicate vases brings a touch of nature indoors, enhancing the overall sense of tranquility and peace.

Beyond just the physical space, Slow House embodies a lifestyle. It's a place where you're encouraged to disconnect from the chaos and connect with what truly matters – whether that's yourself, the people around you, or simply the space you're in. The design speaks to the need for balance, reminding you that it's okay to slow down, take your time, and enjoy the present moment. Whether you're looking for a quiet sanctuary or an inspiring environment to get creative, Slow House offers the perfect backdrop.
