Sterling silver 925 gold plated.

Sterling silver 925

*Just like nature you
are unique*

And so is every piece of my classic, handmade jewelry. They resemble and honor the organic shapes of seaweed.

Which one is made for you?

Kathrine Lindman Jewelry is inspired, more than anything, by the ocean.

Its timeless purity, freshness, wildness, and beauty comes off on each exquisite piece.

Kathrine

Take a piece of
nature with you

xxx
