BOULES

La boule si colora di Dolce Vita,
in un viaggio tra tonalità vivaci ispirate
alle bevande italiane degli anni '60.
Un'ode ai momenti spensierati da
assaporare con leggerezza.

through its lively colors. Each shade is
named after classic Italian drinks from the

simple pleasures with a carefree spirit.

Die Boule färbt sich mit Dolce Vita,

MUSE

Ispirata all'eleganza sofisticata delle icone senza tempo, Muse incarna l'armonia tra passato e futuro. La boule in oro diventa eterna, celebrando l'essenza unica di chi la indossa.

Inspired by the sophisticated elegance of timeless icons, Muse embodies the harmony between past and future. The gold Boule becomes eternal, celebrating the unique style of its wearer.

Inspiziert von der ausgesuchten Eleganz der zeitlosen Ikonen, lädt Muse dazu ein, die eigene Essenz zu offenbaren und mit dem eigenen Stil zu tanzen, die Einzigartigkeit feiernd, man selbst zu sein.
