## NEW ARRIVALS 2026

---

### MADemoISELLE FESTINA

---

*Festina presents a new watch from the Mademoiselle series,  
a collection celebrating feminine elegance, creativity, and modernity.*

---

This design is embodied by **Hinaupoko Devèze, Miss France 2026 and brand ambassador**, whose natural confidence perfectly reflects the spirit of the line. Set in an artist's studio among sketches, noble materials, and timeless references, the **Mademoiselle collection** stands as a true style accessory—enhancing posture and subtly capturing the light.

---

## FEMININE, CONTEMPORARY, TIMELESS

---

*The collection combines delicately crafted cases, luminous dials with refined details, and bracelets designed as elegant jewelry pieces.*

---

These models in the **Mademoiselle collection** are available in **17 references**, in stainless steel or gold finishes, with steel bracelets or leather straps—a deliberate diversity celebrating the multifaceted nature of modern elegance.
