CamilleMoi

An exceptional artisan savoir-faire, it is
our celebration of the beauty of nature.

START

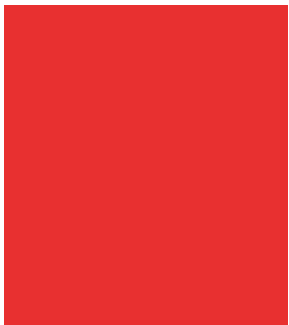

01

Perfection is not just a question of attention, it involves craftsmanship and people.

The pursuit of precision in details of the Monica Amuleti Maison derives from a careful knowledge of those who wear our jewels and share our vision.

Each jewel is impeccably adapted to the values of authenticity and tradition. This is why it has always been the guiding principle of the Monica Amuleti Maison.

02

Neutral, eternal and refined colors convey an innate charm to the rounded shapes: elegance is revealed in an ever-renewed light.

03

Made with noble and precious materials, the CamilleMoi Capsule Collection shows off some of the most emblematic characteristics of the Maison, including flowers and in particular the Peony.

This splendid flower with large petals is characterized by the liveliness of its colors and its regal fragrance.

04

Ethical Diamonds, sustainable Jewellery in full respect of the human rights and the environment.
